Employment history

Front End Developer, Mills New York
Nashville, TN (Remote)

Dec 2022 - Jan 2024

• Built custom Sections, which included Schema Tags.

• For Shop page, used JavaScript along with CSS properties such as Flexbox, position properties (relative, absolute, z-index, etc), and Metafields to display certain products as "Coming Soon".

• For Private Label Page, used CSS Grid, position properties, along with JavaScript and Schema Tags to display/hide logos/images when clicked.

• Used Media Queries and Flex Wrap to ensure all pages are mobile responsive.

Front End Developer, Sow Right Seeds
Greenwood, MO (Remote)

Jan 2022 - Jan 2024

• Built custom navigation on pages using HTML, CSS, JavaScript, along with the use of Metafields and Shopify Liquid.

• Utilized JSON templating language to track/change custom data.

• Used JavaScript functions to toggle drop-down when Collection/Blog navigation header is clicked.

• Utilized CSS Flexbox throughout the site, including Blog/Collection Pages.

Client Service Associate, Hancock Whitney Bank
Covington, LA

Jan 2019 - Oct 2021

• Answered customer inquiries regarding account balances, transaction history, services charges and interest rates.

• Processed customer transactions promptly, minimizing wait times.

• Completed highly accurate, high-volume money counts via both manual and machine-driven approaches.

• Learned about customer's financial needs, established trust and optimized sales opportunities resulting in quality customer service.

Senior Teller, Iberia Bank
Mandeville, LA

Feb 2018 - Nov 2018

• Assisted customers with setting up or closing accounts, completing loan applications and signing up for new services.

• Handled foreign currency and performed currency transaction reports.

• Performed general teller duties for drive-thru line.

• Identified potential needs through observation, questioning and listening.

• Answered inquiries regarding checking and savings accounts and other related products.

Teller, Capital One Bank
Mandeville, LA

Oct 2015 - Jan 2018

• Streamlined teller operations by maintaining organized workspaces and adhering to policies and procedures.

• Assisted customers with account inquiries, resolving issues promptly and professionally.

• Maintained cash drawer accuracy by conducting regular audits and implementing effective cash handling practices.

• Supported team members in achieving branch goals through collaboration, communication, and shared responsibilities.
